I agree.

That's why I keep recycling it for pretty much every meeting I have at 290 Broadway.

I was very impressed by all of it. The directions, the map with the location of airports. Whoever put this together is GOOD.

Karl,

Please see the attached file which provides a logistics overview for our CSTAG meeting on 2/28 and 3/1. Please let me know if there are any logistic questions that come up or if you have any recommendations for revisions to this file.

Thanks and have a happy holiday,
